The Corps should be forwarding the request to the IRT soon, after which we will have a phone call to discuss the arguments presented by SLR. I did receive a hard copy of their correspondence with the Corps, so I will start reviewing that info soon.

I talked to Tim Hardy this morning re the Spanish Lake mitigation bank. Tim said the SL folks had heard that the Corps was referring the valuation to the IRT. I told him that would be a logical next step. Have we heard anything re an IRT discussion on this?
